Before you start a lawn care business

Answer these honestly before you buy any equipment.

- [ ] Physical outdoor work in heat, week after week, is realistic for me
- [ ] I know at least a few people nearby who already pay for lawn care
- [ ] I've looked up what my city, county and state require
- [ ] I can cover startup costs without borrowing more than I could repay
- [ ] I've estimated my take-home per hour, not just revenue

My three biggest open questions

General planning guidance, not legal, tax or financial advice.
